Charley (left, with Merrill Rodin) anxious about **The Strange Death of Adolph Hitler** Source: Moving Picture Boy

The Moving Picture Boy entry:

"The dark, usually disruptive Bates was in many famous films of the Forties. He was Teresa Wright's kid brother, for instance, in **"SHADOW OF A DOUBT"**, Gregory Peck's guilty buried self in **"SPELLBOUND"** and Ernest Severn's antagonist in **"PURSUED"**.

Later, Charley was in **"SHOCKPROOF"** (49) before fading from the scene."
