

James Forlong

Titles: 4 Sources: 1 Stills: 1

Born: UK; June 14th 1959
Son of producer/director Michael Forlong, brother of Kate Forlong [qv]

Featured in a clutch of Children's Film Foundation titles produced and shot by his father, including a serial made in New Zealand. Nothing else is known about him.

"RANGI 'S CATCH" – My guess is that he's the blond centre in the picture, and right is his sister Kate, but this is unconfirmed.
