

Fabrice Gréco

Titles: 1 Sources: 0 Stills: 3

Born: France

Remade (badly, as always) in the US as “**THE TOY**”, “**LE JOUET**” was a mildly satirical comedy in which a wealthy father permits his spoilt son to pick out any present he likes from the store his father owns. The boy chooses one of his father’s employees, Pierre Richard. Nothing else is known about Fabrice Gréco.

“I want that one!”
