

Eric Gurry

Titles: 4 Sources: 0 Stills: 1

Born: US, c1968

No classical beauty he, but in a couple of his early films Eric gave a highly personable performance: as playwright Al Pacino's son in "**AUTHOR! AUTHOR!**" he had a handful of barbed lines, and the domestic badinage between him, Pacino, and half-brother Geraldo (played by Benjamin H Carlin) produced many of the film's more amusing moments. He next appeared as a fellow inmate of Sean Penn's at a juvenile prison in "**BAD BOYS**". Gurry played a highbrow youth whom Penn tries to protect from the usual prison yard thugs. He's not listed in "The Moving Picture Boy". Nothing else is known of him.

with Al Pacino in "**AUTHOR! AUTHOR!**"
