Indeterminate TV guide caption:

“Real-life lookalike brothers Jonathan and Nicholas Haley, both 12, play identical twins accidentally separated at birth in tonight’s play by Rosemary Mason. Nicholas (above left) gets a new family, and Jonathan (right) a new brother (James Lee, centre). It’s a new variant for the two, who in the BBC’s John le Carré story **"A Perfect Spy"** alternated, indistinguishably, in the same role.”
