The Moving Picture Boy entry:

“This Jim Hawkins never played the lead in **Treasure Island**, on screen at least, but did become well known between 1953 and 1958 as Annie’s kid brother Tagg in the “**Annie Oakley**” TV series for ABC. He stayed in show business for some years afterwards, and was seen for instance in “**ZOTZ!**” (62), “**GIRL HAPPY**” (65) and “**SPINOUT**” (66). A

brother, Timmy, had been nearly as busy but didn’t persist as long.”
