

Bobby Jacoby

Titles: 3 Sources: 0 Stills: 0

Born: US, 1973
Half-brother of Scott [\[qv\]](#); younger brother of Billy [\[qv\]](#)

Pleasant-faced boy, the best-looking of the three Jacoby's, seen mostly in TV movies. He was one of Paul Michael Glazier's ungrateful brood in the role-switching comedy **"WAIT 'TIL YOUR MOTHER GETS HOME"**; and in **"A DIFFERENT AFFAIR"** had a central role as a 12-year old adopted for a publicity stunt by a radio agony aunt who then finds having him around messy and inconvenient. Sadly, by 1990 he had descended to small parts in self-guying monster movies like **"TREMORS"** and **"MEET THE APPELGATES"**.
