Excerpt from **Radio Times** feature on "Eerie, Indiana":

"...Marshall is played by Omri Katz, who grew up in big-town America playing JR and Sue Ellen's son John Ross in **"Dallas"**. Katz, now 15, is dismissive of any suggestions that he is similar to the alienated Marshall. "He's very intelligent - kind of a detective" says Katz. "He sees strange things that no-one else notices. I prefer not to go out and look for adventures. I'd rather hang out with my friends." "

*As John Ross in "Dallas"*
