Titles: 2 Sources: 1 Stills: 1

Born: U.S.S.R c1927

The Moving Picture Boy entry:

“Livi, the son of the poet Stefan Shchipachev, played the lead in the two **Timur** films, which retained their popularity with Soviet youth for many years. They are something like a rural and more improving version of "NOUS LES GOSSES": a band of boys have fun and do good, helpful, patriotic things.”
