Born: London; April 12th 1929

The kid plays a mean accordion – in "**DANNY BOY**"

The Moving Picture Boy entry:

"Fair-haired Grant Tyler was a natural smiler. His biggest part was the lead in "**DANNY BOY**", a remarkably quick remake of the story last filmed in 1934 with Ronnie Hepworth. Soon after it, Grant shot up by a foot, which put a premature end to his career as a child actor. In 1948 he was in "**DAUGHTER OF DARKNESS**" and "**EUREKA STOCK-ADE**", but was mainly seen henceforth in the theatre, often in musicals like "The Dancing Years", or revues like "Sigh No More"."
