**How Sweet it Was – Television: A Pictorial Commentary** caption:

“This early DuMont show was a contest pitting youngsters against a team of elderly people.

Here, W.C. Handy, composer of "St. Louis Blues", performs on the premiere.”

[no listing in "Halliwell's Television Companion", "History of Television", "Television's Greatest Hits" or "25 Years of ITV - 1955-1980"]

No further information currently available. I've assumed that the term "youngsters" is not taken here to mean "under-30s". No date is given, but it would have been from the late forties or early fifties.
