Halliwell's Television Companion review:

“Case-history play which rose considerably above the limits of a case-history to present the unharrowing but very worrying problem of the child who doesn't grow. Sympathetically written by Brian Phelan, directed by Pete Smith; with Anna Carteret and David Suchet; produced by Alan Shallcross, for BBC.”

[no listing in "History of Television" or "Television's Greatest Hits"]

No further information currently available. No comparable titles come immediately to mind. Suchet was later to hit paydirt with the role of Hercule Poirot for TV.
