Good design work. "BENJAMIN DUVA" is the Swedish spelling, but the film itself is from Iceland.

Four knights on the trot

CVMC video retail/rental website review:

“A group of four boys (Sturla Sighvatsson, Hjorleifur Bjornsson, Gunnar Atli Cauthery, Sigfus Sturluson) decide to take on the local teenage bully (Kári Þórdarson). When the strongest of the clan turns out to be a bit of a bully himself, he is ostracised but eventually retaliates by forming his own gang and utilising it to get even. Somewhat of [an updated] and more complex retelling of **“THE BOYS OF PAUL STREET”**. Sad but very well done; highly recommended!

Rated NR: adult themes [sic]; violence; brief/mild profanity; brief sexual themes

Language: Icelandic (with Swedish subtitles)

Categories: Best Buddies, Boy Films, Little to Preteen, Adolescent, Bullies & Teasing, Child Abuse [sic], Drama

NOTE: This movie is in Icelandic with NO ENGLISH SUBTITLES OR DUBBING.”

[no listing in "Leonard Maltin's Movie and Video Guide 2001" or "TV Times Film & Video Guide 1995"]

No further information currently available. So what are the “adult themes” involved? Where does the unicorn come into it? And why does knight no.4 above look like he’s been through the washing machine? These are just *some* of the questions that remain unanswered.
