Speelfilm Encyclopedie review:

“Disney film in which young Juttner and his father, Betz, are constantly falling out. The boy seeks consolation with the badgers he finds on their land and has a close friendship with these animals. The bomb goes off when pa hires somebody (Donner) to hunt the animals off his land. **Good**”

Movies on TV and Videocassette 1988-89 review:

“Disney adventure about a lost 6-year old boy who survives on the prairie thanks to a friendly badger. ****1/2**”

“He kept on running in Naderi's "**AAB, BAAD, KHAK**", a drama of drought set in the parched land of the Iranian-Afghan border. But the Iranian authorities, who had already castigated "**DAWANDEH**" as a slur on their country, and had failed to get Naderi to apologise for it, now banned the showing of both films. Naderi was granted political asylum in the USA, and Majid and his elder brother Mansur Nirumand fled into Pakistan.”
