CVMC video retail/rental website review:

“Vincent (Jerome Hardelay) invites his best friend Martin (Gautier Kusnierek), both about eleven years of age, to attend one of his family's vacations. At the seaside resort, our heroes and their pals battle some kids at a nearby camp for a treehouse. Complications evolve when Martin is falsely blamed for some catastrophes and booted out of the resort, the boy now finding himself having to reside at the camp. A cute and generally fun kids' movie...
