Speelfilm Encyclopedie review:

"When the Wolf, grandma and Little Red Riding Hood have reconciled with one another, they investigate the possibility of joining up with a gypsy band. Exotic and noteworthy variant on "Little Red Riding Hood". \*½ "

No further information currently available. We must assume that Maria Gracia played Caperucita, but it's anyone's guess whether she was a child or not. Two years previously, the Mexicans had bequeathed world cinema the delirious title "**CAPERUCITA Y PULGARCITO CONTRA LOS MONSTRUOS**" ("Little Red Riding Hood and Tom Thumb vs the Monsters") with 10-year old boy star Cesareo "Tom Thumb" Quezadas, so it's a possibility this title itself was a late entry in a series featuring a comparable girl star.
