Children's Film Foundation catalogue and index of films 1972 note:

"Three irresponsible teenagers borrow a yacht belonging to the local Sea Scouts and run out of fuel. They hoist the sail in an endeavour to stop the boat drifting on to the notoriously dangerous Bradda Head, but find themselves in even greater trouble in the shape of a sea-mine."

NFT monthly bulletin - April '76 - review:

"Three teenagers 'borrow' the Seawitch - a yacht belonging to the local Sea Scouts, but run out of fuel. Further troubles develop and eventually a mine becomes entangled with some broken rigging - with the boat drifting towards shore... Like many C.F.F. films in the season, there is adventure, an unpompous message and some nice location work (here it is the Isle of Man)."
