CVMC video retail/rental website review:

"Kids Star as Doctors & Nurses!"

[no listing in "Halliwell's Film Guide", "Leonard Maltin's Movie and Video Guide 2001", "Speelfilm Encyclopedie", "The Critics' Film Guide", "The Good Film and Video Guide", "Movies on TV and Videocassette 1988-89", "Rating the Movies (1990)", "The Time Out Film Guide", "TV Times Film & Video Guide 1995", "Variety Movie Guide 1993", "Video Movie Guide 1993" or "The Virgin Film Guide"]

No further information currently available. Hum. What can one add to that? The vast CVMC catalogue of videos does include some titles of doubtful provenance – Russian boy swimmer videos, South African boy wrestling videos – and others that were never on release as commercial features or broadcast on television (a tape of Aaron Carter preparing for a concert, for example) but which would have a clear relevance to the archive had they been so. The global video rental market, in other words, has become a de facto third arm of mass entertainment and information in the visual media, and as such those titles are not excluded from the archive. Quite where this tape comes from, or what its purpose might be, is anyone's guess, but children playing hospital will be seen as enchanting by some.

See subject index under [AUSTRALASIA](#) (where else would Koala Family Collection hail from?), **HOSPITAL / SICK CHILDREN**, and under **ALL-KID PRODUCTIONS** for novelty Westerns, novelty gangster pictures and the like.
