Speelfilm Encyclopedie review:

"The story of an eleven-year old boy who places an advert in which he seeks "someone who will love him". His parents, victims of the sixties, have become fighting cocks. A fine theme is spoiled by bad dialogue and implausible situations. * "

No further information currently available. The central boy is not identified. I don't think any newspaper today would be carrying ads from 11-year old boys seeking someone to love them. Goodness me, no, that would never do.

See subject index (possibly) under **DIVORCE / CUSTODY BATTLES**.
