[no listing in "Leonard Maltin's Movie and
Video Guide 2001"]

No further information currently available. Let's guess shall we? No, do let's guess:

[A] Puberty ? [B] The Menopause ? [C] Fathers ? [D] AIDS ? [E] Narcotics ?
[F] Homosexuality ? or [G] the death of the child ?

Somehow I think another "worst fear" may be indicated. The one worse than death.
