No further information currently available. A curious subject to make a film of, and perhaps it should strictly be classified as documentary. It was not unusual for early film-makers to capture snippets from popular stage performances of the day, but an unnamed actor dressing for the role would have to be regarded as a novelty item.

See subject index under [FANTASY / FOLK TALES / FAIRY TALES](#), GIANTS & LITTLE PEOPLE, [SILENT CINEMA](#) and THEATRE / VAUDEVILLE.
