CVMC video retail/rental website review:

"With a cast entirely made up of boys roughly eight to fourteen years of age, this short follows [a] group of Indians as they battle [with] some nasty cowboys. Think of **"ROBBY"** going Western to get the idea.

Rated NR: brief nudity; violence

Categories: Action/Adventure, Boy Films, Little to Preteen, Adolescent

Note: Silent with score. The print includes speckling and related problems, and there are some small tracking glitches to be found."

[**no listing** in "Leonard Maltin's Movie and Video Guide 2001", "Bloomsbury Foreign Film Guide", "The Critics' Film Guide", "TV Times Film & Video Guide 1995", "Variety Movie Guide 1993", "Video Movie Guide 1993" or "The Virgin Film Guide"]

No further information currently available. Probably, but not explicitly, made for children. Since the silent days, films with all-child casts have generally been made to amuse adults, and so it was with **"BUGSY MALONE"** most recently. See "[THE PHANTOM KID](#)" for another all-child Western.

See subject index under **ALL-KID PRODUCTIONS, SHORT FILMS** and [WESTERNS](#).
