Variety International Film Guide 2000
review:

“ **"BARKING AT THE STARS"** ("Lajanje na Zvezde") is a more conventional comedy, based on Milovan Vitezović's 1975 novel about his post-Second World War school days (there have been so many recent wars in the former Yugoslavia that the adjective post-war is no longer specific enough). True, today's teenagers still face similar emotional

dilemmas, but **"BARKING AT THE STARS"** felt dated. Audiences, notoriously short of laughs, and not very choosy when it comes to comedies, loved it.”
