Blockbusters video promotional handout:

“A delightful movie for all the family, “**LEAPIN’ LEPRECHAUNS**” is full of the wee folk from the Emerald Isle, who end up in the USA when they climb inside an Irishman’s suitcase.”

[no listing in "Halliwell's Film Guide", "Leonard Maltin's Movie and Video Guide 2001", "The Critics' Film Guide", "The Good Film and Video Guide", "Movies on TV and Videocassette 1988-89", "Rating the Movies (1990)", "The Time Out Film Guide", "TV Times Film & Video Guide 1995", "Variety Movie Guide 1993", "Video Movie Guide 1993" or "The Virgin Film Guide"]

No further information currently available. Airport baggage-handlers couldn't have lost **that** suitcase for us? (Shudder) Sounds like a made for cable TV movie. At any rate, I can find no other mention of it anywhere. “A delightful movie for all the family” eh? I just bet it is.

See subject index under **GIANTS & LITTLE PEOPLE** for other leprechaun-ball comedies, and fantasies such as “**THE INDIAN IN THE CUPBOARD**” (95), which this suspiciously resembles.
