No further information currently available. Probably a TV movie. Not to be confused with the 1953 Bing Crosby vehicle of the same name. To the best of my recollection, an excruciatingly maudlin non-story about a little boy who wanders off, is not munched by dingos, held to ransom by desperadoes, or otherwise inconvenienced, and in due course – after much heart-rending at home – is returned safe and well. **To be avoided.**

See subject index under [AUSTRALASIA](#) and **LOST & FOUND**.
