Halliwell's Film Guide review:

"A girl orphan charms a millionaire. Ineffective early version of the comic strip used many years later (equally ineffectively) as the basis for "ANNIE".

Video Movie Guide 1993 review:

"The first sound version featuring the adventures of Harold Gray's pupilless, precocious *[sic]* adolescent. A good cast and engaging score by Max Steiner add to the charm of this undeservedly neglected comic-strip adaptation. **1/2 "
