No further information available as yet. UK premiere 22/12/2000. Written, directed and produced by Paul Matthews, co-produced by Elizabeth Matthews and with Peter H Matthews executive in charge of production, this was somebody's pet project, evidently. And if the poster is any indication – heavy as it is on the primary colours – it may have been planned as a computer game promotion from the outset. We await further secrets.

See subject index under **FANTASY / FOLK TALES / FAIRY TALES** for Merlins by the dozen.
