[no listing in "Halliwell's Film Guide", "Leonard Maltin's Movie and Video Guide 2001", "The Critics' Film Guide", "The Moving Picture Boy", "Rating the Movies (1990)", "TV Times Film & Video Guide 1995", "Variety International Film Guide 1991", "Variety Movie Guide 1993", "Video Movie Guide 1993" or "The Virgin Film Guide"]

No further information currently available. If I remember correctly from a synopsis on one of the websites which furnished these stills, the plot involves a boy (possibly a runaway), a discovered knife, and a crook who appears at first to befriend him but later turns menacing. As such it recalls earlier films like **"THE YELLOW BALLOON"** in which the villain plays on a young boy's sense of guilt or insecurity. More analysis when details come to light. Nothing else is known of Kasper Andersen.
