Speelfilm Encyclopedie review:

"Bohm has continuous problems with the censors over his children's films. Grammar school boy Moritz is furious at his uncomprehending mother, and in one of his fantasies she's beheaded by a wire while driving her fast open-topped car. Moritz ultimately finds his own spot as a saxophonist in a rock group. ** "

Excerpt from **The Moving Picture Boy** joint entry on Bowakow and Enkelmann:
