Halliwell's Television Companion note:

“An amiable old sorcerer helps a boy out of various jams. Pleasant magical farce which couldn't quite keep up the pace. Creators: Larry Rosen & Larry Tucker. * ”

[no listing in "History of Television", "How Sweet It Was", "Speelfilm Encyclopedie", "Television's Greatest Hits" or "25 Years of ITV - 1955-1980"]

No further information currently available. Clark Brandon may have played the boy, but without more details we can not even be sure the “boy” was under 18.

See subject index under **TV SERIES** and **WITCHES & WIZARDS**, which includes two serials (West German TV's "**Boy Merlin**" with Tommi Ohrner, and UK's "**Merlin of the Crystal Cave**") touching on the boyhood of Merlin himself. However, this one is probably closer in tone to "**Mr Majeika**".
