Speelfilm Encyclopedie review of "NA PYTLÁCKE STEZCE":

"The second film, after "PODJEZEVCI SKALOU" in 1978, in a series about 12-year old schoolboy Vasek, who discovers the beauty of nature. He doesn't want to go abroad on holiday, but instead chooses the forest, where his grandpa is gamekeeper, and together they come upon the trail of a poacher. An entertaining and beautifully filmed adventure for children. **1½ "

The Moving Picture Boy entry on Holý:

"Tomáš, a pudgy little comedian, became a national favourite in Václav Gajer's three films of country life during 1979-80, and also in a TV serial called "On the Way to Atlantis". "
