Leonard Maltin's Movie and Video Guide
 2001 review:

"A lonely boy finds a "cyborsuit" - superpowered alien armour - in a junkyard, and has fun trying it out. He makes friends with the suit, which has a mind of its own, but then an evil alien warrior arrives to destroy it. Comic-book like but occasionally entertaining.

No further information currently available. Joey Mazzello, age uncertain, attracted good notices as Elijah Wood's battered younger brother in "**RADIO FLYER**" (91), as Debra Winger's grieving son in "**SHADOWLANDS**" (93), and again as Meryl Streep's son in "**THE RIVER WILD**" (94), along the way putting a showing as "Tim, the human piece of toast" in "**JURASSIC PARK**" (93). He still has the hazardous shoals of his late teens to negotiate, but Mazzello must be a good tip for following the Jodie Foster road from respected child star to respected adult star, which would put him in a very exclusive club.
