Music practice – one of childhood's more exquisite torments

International Film Guide 1981 comment:

"Ágúst Gudmundsson... (he and Hrafn Gunnlaugsson - born 1948 - are the most prolific of the young Icelandic directors now emerging) will in the Summer of 1980 film a Scandinavian TV co-production about Icelandic children during the Depression, and is also planning a new feature film. Besides "ÓDAL FEDRANNA", Gunnlaugsson has completed a film for Icelandic television, an eccentric drama called "VANDARHÖGG" ("Whipping") from a script by the late Icelandic playwright Jökull Jakobsson."
