No further information currently available. Before teacher returns – to fustigate his buttocks soundly, I do trust. This film first appeared in August of 1898, and a month later the Riley Brothers essentially stole the idea with [“A SCHOOLMASTER'S PORTRAIT”](#).

Naughty boy films came thick and fast from 1898, which also saw director James Williamson go to work with his sons on titles like **“TWO NAUGHTY BOYS UPSETTING THE SPOONS”** and **“TWO NAUGHTY BOYS TEASING THE COBBLER”**. Schoolboy pranks made ideal “storylines” for these one-reelers of a minute or less – essentially home movies with an eye to public exhibition – being cheap, simple, and universally recognisable. They were visual one-liners, requiring no caption cards or establishment of character, and were also a little cheeky, disrespectful of authority, which would have been in tune with the end-of-pier type venues where these early film performances were seen.

Denis Gifford's *British Film Catalogue* is a staggering work of research, listing virtually every live action film shot in the UK over the first ninety years of the cinema, but uniquely valuable for information on these earliest silent pieces, the great majority of which we must assume to be lost.
