These entries, so far as can be determined, are strictly neither films nor televised material, but have been released straight to video to supply various niche markets. Chiefly sport and music titles, they have a self-evident interest to the archive, and so are regarded in the same vein as televised material.

Extreme (1 – 9)

S Africa 1999-2002 : Exhaustive series of sport videos recorded at South African amateur boy wrestling tournaments. Tapes in the series vary from 45 to 120 minutes, and one would think a single tape would more than satisfy the staunchest wrestling fan, but a series of nine??
